Preschool 2 Home Connection

December 2019

Under the Big Top

Everyone loves the circus. This unit is filled with colors, shapes & sizes. Circus animals & performers surface in every lesson. Bring circus, clown or related pictures on Monday so your child can share his or her experiences. We will look at pictures, read books, tell stories & use our imaginations. This will delight both the children & Teachers.

Fun & Fantasy

The world of make-believe is a wonderful place for children. This unit is filled with fantasy and also offers lots of opportunities to distinguish between what is real and what is fantasy. Your children will be able to explore the question "what if."

Sign Language

This month we will learn the signs for:

Help Read Nice

Scared Surprised

Winter Holidays

These will be short weeks at Blue Ivey. We will spend two weeks exploring winter holidays. We will use the colors red and green to color and paint, explore things that are cold in the winter, use ice and "snow" in our water table and play the "Freeze game." This unit will be full of cold wintery fun!
